Rittenhouse

The physical, occupational and speech therapists at Penn Therapy & Fitness Rittenhouse are ready to help you regain function, mobility and relief through outpatient physical therapy. Located on the Penn Medicine Rittenhouse campus, Penn Therapy & Fitness Rittenhouse offers access to physical, occupational and speech therapy in one convenient location.

Address:
Penn Therapy & Fitness Rittenhouse
1800 Lombard Street, First Floor
Philadelphia, PA 19146
Phone
215-893-2500
Together with your doctor, you and your therapist will work together to create a treatment plan customized to your rehabilitation goals, including an exercise and therapy program, education about self-care and injury prevention knowledge.

Safety Precautions

All Penn Therapy & Fitness locations are now open. We are taking every precaution to protect your health by providing a safe care environment; the following protocols are now in place:

• All patients and employees are screened prior to arrival.
• All patients and employees are thermal scanned at the door.
• Patients wear masks.
• Providers wear masks, face shields and gloves.
• Strict handwashing/sanitizing is enforced
• Patient arrivals are staggered and changes to the physical layout within our facilities have been made to promote physical distancing
• Deep cleaning procedures have been enhanced
