Effective on February 5, 2018, Kinetic Rehabilitation Services, P.C. (Kinetic Rehabilitation) is now part of Good Shepherd Penn Partners! Specializing in orthopedics, neurosciences, and pediatrics, Kinetic Rehabilitation is our 19th outpatient therapy site.

The team at Kinetic Rehabilitation has been providing physical and occupational therapy services to patients in Central Bucks County and the Doylestown area for over 28 years. We welcome the clinical expertise of Jeanette Pitman OTR/L and Jim Pitman PT, co-founders of Kinetic Rehabilitation, along with the Kinetic Rehabilitation clinicians and administrative team members. This new partnership allows us to better serve the community and physician practices in Bucks County, PA and beyond. It also provides existing Kinetic Rehabilitation Services, P.C. patients access to a wider range of specialty therapies.
Kinetic Rehabilitation Services, P.C. offers the clinical expertise of Jeanette Pitman OT/RL and Jim Pitman PT, co-founders of Kinetic Rehabilitation Services, P.C., and the rest of the Kinetic Rehabilitation Services, P.C. staff. Conveniently located in heart Bucks County, this new partnership allows us to better serve Penn Medicine physician practices in Doylestown, PA area and beyond.

Safety Precautions

All Penn Therapy & Fitness locations are now open. We are taking every precaution to protect your health by providing a safe care environment; the following protocols are now in place:

- All patients and employees are screened prior to arrival.
- All patients and employees are thermal scanned at the door.
- Providers wear masks.
- Providers wear masks, face shields and gloves.
- Strict handwashing/sanitizing is enforced
- Patient arrivals are staggered and changes to the physical layout within our facilities have been made to promote physical distancing
- Deep cleaning procedures have been enhanced
