

Three Newly Acquired Outpatient Locations!

Effective on October 20, 2018, **Hand & Orthopedic Physical Therapy Associates, P.C.** (Hand & Orthopedic Physical Therapy) is now part of Good Shepherd Penn Partners! Specializing in orthopedics and hand therapy, all three Hand & Orthopaedic Physical Therapy locations have been acquired by Good Shepherd Penn Partners as part of outpatient therapy services.

The team at Hand & Orthopedic Physical Therapy are clinical experts that provide physical therapy in musculoskeletal (MSK) and general orthopedic conditions, including hand injuries/conditions, treated by Certified Hand Therapists (CHT). With three locations in **Levittown, PA**; **Mercerville, NJ**; and **East Windsor, NJ**, the team at Hand & Orthopedic Physical Therapy has been providing physical therapy services to patients for over 28 years.

We welcome the clinical expertise of owners Douglas Armstrong, PT, CHT and Gregory Davis, PT, MPT, CHT, along with 8 Hand & Orthopedic Physical Therapy clinicians staffing the three locations. This new partnership allows us to better serve the community and physician practices in Lower Bucks and Mercer county areas. It also provides existing Hand & Orthopedic Physical Therapy patients access to a wider range of specialty therapies.
