

July Support Group: Clinical Study for Chronic Amputation Pain

Topic: Clinical Study for Chronic Amputation Pain

Date: Thursday, July 25 from 3 - 4pm

Location: Penn Medicine Rittenhouse Campus, 1800 Lombard Street, Philadelphia, PA, 19146, 3rd Floor Dining Hall

Please join us for a presentation from Leslie Farhat from Neuros Medical about a clinical study on chronic pain in people with amputations. They are currently seeking to expand their current study and are seeking participants in this area. Family members and caregivers are welcome to attend.

Our mission: Helping all of our patients reconnect and return to their lives.

Let us know you're coming: Please RSVP to Christopher Gorrell or Julie Parana at 215-893-6324, or via email at Christopher.Gorrell@uphs.upenn.edu.
