This Notice Describes How Health Information About You May Be Used and Disclosed and How You Can Get Access To This Information. Please Review It Carefully. Changes On This Notice Will Not Be Honored.

YOU WILL BE ASKED TO ACKNOWLEDGE THAT YOU HAVE RECEIVED OUR NOTICE OF PRIVACY PRACTICES.

We understand that information about you and your health is very personal.

Therefore, we strive to protect your privacy as required by law. We will only use and disclose your personal health information (“PHI”) as allowed by law.

We are committed to excellence in the provision of state-of-the-art health care services through the practice of patient care, education, and research. Therefore, as described below, your health information will be used to provide you care and may be used to educate health care professionals and for research purposes. We train our staff and workforce to be sensitive about privacy and to respect the confidentiality of your PHI.

We are required by law to maintain the privacy of our patients’ PHI and to provide you with notice of our legal duties and privacy practices with respect to your PHI. We are required to abide by the terms of this Notice (“Notice”) so long as it remains in effect. We reserve the right to change the terms of this Notice as necessary and to make the new notice effective for all PHI maintained by us. You may receive a copy of any revised notice at any of our hospitals, doctors’ offices, or ambulatory care facilities.

The terms of this Notice apply to Good Shepherd Penn Partners, including but not limited to The Specialty Hospital at Rittenhouse, and Penn Therapy & Fitness and the licensed professionals, employees, volunteers, and trainees seeing and treating patients at each of these care settings.

If you have questions regarding the coverage of this Notice, or if you would like to obtain a copy of this Notice, please contact the Good Shepherd Penn Partners Privacy Office as described below.

USES AND DISCLOSURES OF YOUR PHI

The following categories describe the ways we may use or disclose your PHI without your consent or authorization. For each category, we will give you illustrative examples.

Uses and Disclosures for Treatment, Payment and Health Care Operations.

Treatment: We use and disclose your PHI as necessary for your treatment. For instance, doctors, nurses, and other professionals involved in your care – within and outside of Good Shepherd Penn Partners – may use information in your medical record that may include procedures, medications, tests, etc. to plan a course of treatment for you.

Payment: We use and disclose your PHI as necessary for payment purposes. For instance, we may forward information regarding your medical procedures and treatment to your insurance company to arrange payment for the services provided to you. Also, we may use your information to prepare a bill to send to you or to the person responsible for your payment.

Health Care Operations: We use and disclose your PHI for health care operations. This is necessary to operate Good Shepherd Penn Partners, including by ensuring that our patients receive high quality care and that our health care professionals receive superior training. For example, we may use your PHI to conduct an evaluation of the treatment and services we provide, or to review the performance of our staff. Your health information may also be disclosed to doctors, nurses, staff, medical students, residents, fellows, and others for education and training purposes.

The sharing of your PHI for treatment, payment, and health care operations may happen electronically. Electronic communications enable fast, secure access to your information for those participating in and coordinating your care to improve the overall quality of your health and prevent delays in treatment.

Health Information Exchanges: Good Shepherd Penn Partners participates in initiatives to facilitate this electronic sharing, including but not limited to Health Information Exchanges (HIEs) which involve coordinated information sharing among HIE members for purposes of treatment, payment, and health care operations. Patients may opt-out of some of these electronic sharing initiatives, such as HIEs. Good Shepherd Penn Partners will use reasonable efforts to limit the sharing of PHI in such electronic sharing initiatives for patients who have opted-out. If you wish to opt-out, please contact your patient services associate.

Our Facility Directory. We use information to maintain an inpatient directory listing your name, room number, general condition and, if you wish, your religious affiliation. Unless you choose to have your information excluded from this directory, the information, excluding your religious affiliation, may be disclosed to anyone who requests it by asking for you by name. This information, including your religious affiliation, may also be provided to members of the clergy, even if they don’t ask for you by name. If you wish to have your information excluded from this directory, please contact your patient services associate.

Persons Involved In Your Care. Unless you object, we may, in our professional judgment, disclose to a member of your family, a close friend, or any person you identify, your PHI, to facilitate that person’s involvement in caring for you or in payment for your care. We may use or disclose your PHI to assist in notifying a family member, personal representative or any person responsible for your care of your location and general condition. We may also disclose limited PHI to a public or private entity that is authorized to assist in disaster relief efforts to locate a family member or other persons who may be involved in some aspect of caring for you.

Fundraising. We may contact you, at times in coordination with your physician, to donate to a fundraising effort on our behalf. If we contact you for fundraising purposes, you have the right to opt-out of receiving any future solicitations.

Appointments and Services. We may use your PHI to remind you about appointments or to follow up on your visit.

Health Products and Services. We may, from time to time, use your PHI to communicate with you about treatment alternatives and other health-related benefits and services that may be of interest to you.

Research. We may use and disclose your PHI, including PHI generated for use in a research study, as permitted by law for research, subject to your explicit authorization and/or oversight by the Institutional Review Boards (IRBs), committees charged with protecting the privacy rights and safety of human subject research, or a similar committee. In all cases where your specific authorization has not been obtained, your privacy will be protected by confidentiality requirements evaluated by such a committee. For example, the IRB may approve the use of your health information with only limited identifying information to conduct outcomes research to see if a particular procedure is effective.

Good Shepherd Penn Partners supports research and may contact you to invite you to participate in certain research activities. If you do not wish to be contacted for research purposes, please inform your patient services associate. In such case, we will use reasonable efforts to prevent this research-related outreach. This will not apply to the use of your PHI for research purposes as described above and will not prevent your care providers from discussing research with you.

Business Associates. We may contract with certain outside persons or organizations to perform certain services on our behalf, such as auditing, accreditation, legal services, etc. At times it may be necessary for us to provide your PHI to one or more of these outside persons or organizations. In such cases, we require these business associates, and any of their subcontractors, to appropriately safeguard the privacy of your information.

- if you are a member of the military for activities set out by certain military command authorities as required by armed forces services. We may also release your PHI, if necessary, for national security, intelligence, or protective services activities; and
- if necessary for purposes related to your workers’ compensation benefits.

Your Authorization. Except as outlined above, we will not use or disclose your PHI for any other purpose unless you have signed a form authorizing the use or disclosure. The form will describe what information will be disclosed, to whom, for what purpose, and when. You have the right to revoke your authorization in writing, except to the extent we have already relied upon it. These situations can include:
